2017 SCHOOL CITIZENSHIP AWARDS

Each year our school awards students in Year 6 with School Citizenship Awards. These awards are presented at the Annual Presentation assembly.

An invitation is extended to you to nominate for one of these awards.

Please note that this nomination does not automatically mean you will receive the award.

After 3 November a panel consisting of the Principal, Deputy Principal and 3 teachers in the school will meet to decide who will receive the awards.

These awards are not for academic or sporting achievements.

Citizenship recognises the positive contributions you have made to our school during your time at Glenmore Park Public School. Some students have been members of our SRC for many years, helped with our special education students, run school activities or volunteered to help peers and students in our school.

Attached is the Nomination Form.

Please remember to write at least 3 to 4 sentences or more in each section.

You may not have come first, second or third in any program at school but if you have always participated in school and have been an active student this award is a great opportunity for you.

This award is for you.

All nomination forms are due back to your class teacher by Friday 3 November.
