Dear Parents/Caregivers

As part of 4M, 4/5K and K/6O History Program this year, we will be completing group projects on The First Australians and their early contacts with The First Fleet. As an introduction to this topic, students will be shown *Episode One, They Have Come to Stay* of SBS Documentary 'First Australians.' The episode explores themes that are relevant to our area of study and will provide stimulus questions for students to investigate through their group projects. As this documentary is rated PG (Parental Guidance) you will need to give your permission for your child to watch this at school.

We would like to watch the documentary in Week 4 of school.

Please sign the permission slip below and return to school by Friday 16 February.
