Dear K/6O Parents/Carers

This year, K/6O will be starting a new adventure in blogging. A blog is an online opportunity to share experiences and information with the community. For our class that means sharing our artwork, our written work and our experiences at school that parents often don't get to see. It allows me to give you extra information about the things your child is learning, give you ideas on how to support your child's learning at home and to build a strong relationship between home and school.

K/6O's blog will be updated at least once a week. Please feel free to make a comment or ask a question about the information and experiences contained in the blog posts. These comments will be sent to me before they are approved and posted onto the blog.

Please be advised that only those students with permission to publish will have their photographs or work displayed on the blog.

The address of the blog is: www.mrsorourke2.edublogs.org

If you have any questions or concerns please contact Mrs O'Rourke.

Kind Regards

Mrs O'Rourke
