Dear Parents/Carers

The students of Year 4 will be attending CARES (Community And Road Education Scheme). This is a significant part of the road safety program about bicycle safety. It has been created to assist in the reduction of risk, injury and death of young road users and has been specifically designed for school children.

CARES teaches basic road rules and skills necessary to enable them to survive on the road system and become responsible road users now and in the future. CARES is about changing and shaping the attitudes of our young road users. The program has been designed to help student's personal development, health and physical education.

The students will leave school at 9.00 am and travel by bus to the St Marys CARES facility and return to school by 3.00 pm. The program is conducted by Police Officers with the assistance of class teachers. The day is divided into both classroom and practical activities. While bicycles are supplied, students are encouraged to bring their own helmet. Non cycle riders are encouraged to attend.

Students will need to be in school sport uniform and must bring their own recess, lunch and drinks (a water bubbler is available). There will not be an opportunity to order or buy food or drinks on the day.

Classes will attend as follows: **Monday 5 March - 4P and seven 4K students (Miss Preissl attending)**  
**Tuesday 6 March - 4M and six Year 4K (Mrs Monteith attending)**  
**Thursday 8 March - 4C and seven 4K and K/6C, K/6O (Mr Corry, Mrs Curry and Mrs O'Rourke attending)**

The cost of this excursion is \$12.00, which covers bus travel to and from the facility. Please complete and return the permission note and money to the front office in a sealed envelope printed with name, class and activity on envelope by **Wednesday 28 February**. The online payment reference for this activity is **YR 4 CARES**.

**If you have made any curriculum contribution payments this cost is covered; please complete permission note only.**
