Dear Kindergarten Parents/Carers

The Parent Consultative Group (PCG) would like to welcome all the Kindergarten parents, carers and families to the Glenmore Park Public School community. We would like to take the opportunity to remind you that the purpose of the PCG is to strengthen our school community and encourage the participation of those interested parties in school activities and the exchange of information via consultation at the designated PCG meetings.

Whether you are new to the school or have existing children at GPPS, we would encourage your involvement in the activities facilitated by and supported by the PCG forum, the details of which will be advertised via the Skoolbag App. Please note that the next PCG meeting will take place on Wednesday 14 March 2018 at 6:30pm in the school staffroom.

Alerts have recently been issued in relation to the upcoming working party meetings for Belonging (with a focus on school community engagement), and Fundraising which will look at planning all of the school fundraising activities for the 2018 school year, including regular activities already added to the school calendar such as cake stalls. Ideas and fresh faces are always welcome whether you can attend or assist on occasion or on a regular basis. Should you wish to be involved in any way or have any questions or ideas for the PCG as a whole the executive can be contacted on the following email addresses, or via message through the school office.

Shannan Williams, PCG Chair: GPPS.pcg@hotmail.com

Nicole McManus- Vice Chair, Belonging: GPPS.belonging@hotmail.com

Rachel Scott- Vice Chair, Fundraising: GPPS.fundraising@hotmail.com

Additionally, all proposed school helpers should contact the front office to arrange completion of relevant identification checks.

We look forward to your attendance and ideas.

PCG EXECUTIVE

Natalie Mansour
