Principal's Message

END OF TERM

It is hard to believe that we are at the end of Term 2! I would like to thank you for your ongoing support of the school and wish you all the best for a safe and relaxing holiday break. All students return to school on Tuesday 24 July, 2018.

All of the students received their reports today. I would just like to draw your attention to the fact that following some feedback we have made a slight change to the Science, History/Geography, PDHPE and Creative Arts sections in an attempt to make it easier to understand.

FORTNITE

We have many of our students talking about the fact that they are playing the game Fortnite. I would just like to remind parents that this game is rated M, due to its violent nature.

Some of the research that is coming out about this game is quite concerning, especially the fact that they are saying that Fortnite is one of the most addictive

games on the market. We have many students who are showing signs of a developing obsession.

I ask that you familiarise yourselves further with the game in order to make an informed decision about whether or not to continue allowing your child to play this game, especially with school holidays coming up.
