Issue 2

22 February 2022

## *A picture says a thousand words...*

### *Principal's Message*

#### **Parent Information Afternoon**

Thank you to all of the parents/carers who joined us last week for the class webinars. It was amazing to have 371 people join us. I dropped into almost all the class sessions and was very proud of my amazing team!

#### **Leadership Induction Ceremony**

It was wonderful to induct all our senior leaders last Thursday. It was great to be able to have the parents/carers of the leaders attend this ceremony. Congratulations to all our 2022 leaders!

#### **Rapid Antigen Tests (RATs)**

As you may have heard over the weekend, schools will be providing students with an additional 8 RATs to be used at your discretion. I would highly recommend you continue to test twice a week as I know many of the students who have tested positive over the last month, have not had any symptoms. Once again, this testing is not mandatory, rather highly recommended.

#### **Curriculum Contributions**

We have usually sent home our curriculum contributions note by now. However, we held off last year booking excursions and other activities until we were sure we would be able to do them.

We are currently in the final stages of finalising this and I hope to have the note out to you within the next two weeks.

### Keeping Information Current

If there have been any changes to your child's health or the family's contact details (phone numbers, address), please contact the office as soon as possible to ensure that we have the most current information on file. Additionally, it is important that we are aware of any AVO's or court orders that affect children. In these instances, please contact one of the Deputy Principals.

**Natalie Mansour**  
Principal

## Signing Students out Early

To collect students early, please press the intercom or call from the gate. When the office staff answer, please let them know your child's name, class and reason for the early departure. Your child will then be brought up to the office and signed out by staff. Please remember that during recess (11.30am-12pm) and lunch (1.30pm – 2pm) children are not in their classrooms and are not able to be contacted. Please also allow enough time for your child to pack up their activity, their bags and get to the front office.

## Don't forget to pack Crunch&Sip® every day...

Crunch&Sip® is a set time for your child to eat vegetables or fruit and drink water in the classroom.

Once you have received a registration email from the school, create an account and wait for it to be approved

## 4

### Enter the access key

Once you have received an approval email from the school, link your children by entering the access key from the registration email

# Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

## Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

**1** day per fortnight = **4** weeks = Over **1** year missed

**1** day per week = **8** weeks = Over **2.5** years missed

## Special Religious Education Participation Letter

Please return your note to the office by

**Friday 25 February 2022.**

*Don't forget to  
ensure your child  
has their drink bottle  
each day.*

## Highlights from the last few weeks

3 Carpet Shark have had a wonderful start to Year 3! We have been exploring whole number, addition and subtraction, and measuring length in Maths. In English we have written some incredible descriptions and poetry using figurative language. Role playing how to communicate with others has been an excellent way to strengthen our social skills (and have a giggle too)! We get outside each day to move in different ways, exploring the way our bodies respond when we are walking, jogging, running and dodging.

1D have had a wonderful start to Year 1 getting to know one another. The students have enjoyed getting into the swing of a new school year. We are all excited for the year ahead and learning many new things in 2022.

1F had a tea party after reading 'The Tiger Who Came to Tea' by Judith Kerr. We are also reading 'Charlotte's Web' and have made spiders. In Maths, we have been measuring with informal units.

## Highlights Continued ...

1G have thoroughly enjoyed the start to the beginning of the school year. The students have enjoyed fitness, Literacy and art activities. We are all looking forward to an incredible year of learning ahead.

1 Wobbegong have had a wonderful start to Year 1 getting to know one another. The students have enjoyed participating in Literacy, maths and art activities. We are all excited for the year ahead and learning many new things in 2022.

Some serious decisions are being made in my office today...even Mowgli got a vote!

Natalie 🐾🙄

Yes, you are seeing double! We have 3 sets of identical twins and one set of fraternal twins in this year's Kindergarten!

#LoveWhereYouLearn

2 Kingfish are having a wonderful start to the year. They have already been learning so much during Numeracy and Literacy lessons as well as dance and fitness sessions.

What an amazing start to 2022! 🌟

# Highlights Continued ...

Things are going 'swimmingly' in 2 Manatees. We have had a fantastic start to the year and we're enjoying getting to know each other. We have been very busy working hard together in mathematics, art and fitness lessons.

1R students have had a fantastic start to 2022. We have been focusing on collaboration, routines and expectations during our group activities. In Maths, we have been learning about length and how to use informal units to measure and compare objects. We have also really loved playing a range of games, developing our knowledge of numbers. In sport, we have been practicing our throwing and catching through a variety of fun games!
