CHILD SAFETY

I would like to just remind our families that we have a **Kiss and Drop Zone** that operates each morning and afternoon. **You are NOT permitted to park in this zone whilst it is in operation (8.00am to 9.30am and 2.30pm to 4.00pm).**

It is a zone where families are able to set down or pick up children. There is a limit of 2 minutes and if your child is not there in the afternoon, you must move along and then return to the zone. It is crucial that we all work together and obey the rules in order to ensure the safety of all of our children.

It is also important that you observe the road rules with regard to parking in the vicinity of the school when dropping off your child or picking them up in the afternoon.

Children being picked up are instructed to wait inside the school grounds behind the front fence until you arrive. This ensures their safety.

We understand your frustration and ask that everyone follow the rules set out for the safety and care of our children.

I thank you in advance for your co-operation with this issue.

Natalie Mansour
Principal
