Dear Parents/Carers

Thank you to the parents and carers who have already texted through information to the school mobile phone. It has been a success so far and we hope to see you continue to use it.

We encourage you to message us on this number before 10:30am each morning to let us know why your child is absent. You must include details of why your child is away. If they are sick we need to know what symptoms they are displaying.

The phone number is **0499 771 223** and is to be used for texting only.

We thank you for your cooperation in this matter.
