Dear Parents/Carers

## **PSSA WINTER SEASON AMENDMENTS**

Regarding ground closures and wet weather the Penrith Zone PSSA, in consultation with Penrith City Council, has made the decision to amend its weekly competition for the Winter Season. It is consistently the goal of the PSSA to provide students with adequate opportunity to participate in competitive sport and this has driven the decision.

It has been decided that the competition will be run as Gala Days for this season, to allow for the competition to be run more effectively and with less disruption. The Zone leaders are currently in discussion with members of council to confirm dates and venues for these events and this information will be communicated to students and families in the coming weeks.

Families who have paid PSSA money last term can use these funds towards the Gala days.

Thank you for your patience and understanding.
