Dear Parents/Carers

YEAR 6 MINI FETE
FRIDAY 9 DECEMBER – 11:00am – 1:30pm

The Year 6 Mini Fete is one of the biggest events on our school calendar and provides an opportunity for the Year 6 students to work together in teams to provide stalls, games and entertainment for all our students and their families.

The Year 6 teachers and students are appreciative of any wonderful support able to be given by the Year 6 parents in the organisation of their child's stall at the Mini Fete. Parents that can assist their child at their stall are asked to be at school on Mini Fete day from 10:00am ready for the start of the Mini Fete at 11.00am.

Children may begin bringing in their stall items for storage at school from Monday 21 November. Items can be delivered to their class teacher.

Year 6 children **only** are permitted to wear mufti clothing on this day. Children who are involved in some of the water based activities are advised to bring a towel.

While the Mini Fete concludes at 1:30pm, all Year 6 children are required to remain at school until 3pm as usual to take part in the clean-up of stalls and playgrounds. I ask parental co-operation in making sure this necessary task takes place, with all students here to contribute.

Please contact your child's teacher if you have any questions about your child's participation in what will be a wonderful day.
